Dear Parents and Carers

Further to this letter being sent out, Hackney Council have now sent a new number. Please see the new number in bold below.

We have been working with Hackney Council to make sure that no child goes hungry this half term and that children who are entitled to free school meals or families who are in need of support receive it.

Please note, families who need additional support including emergency food vouchers can call the Early Help Hub in FAST on **0208 356 3000** or **0208 356 2710** (out of hours).

There are also various local businesses who have kindly offered to help families in need. Please look at social media pages for more information.

If you are a family that has had a change of circumstances or may be struggling financially at this time, please contact Laura Purcell Family Support Worker at the school and we will do all that we can to help. Please call the school's main number or email

Laurapurcell@hackneynewschoolcst.org

I wish you and your family well at this time.

Yours sincerely

Charlotte Whelan
Headteacher
