**Thursday 5th November 2020**

Dear Parent/Carer

**Re: Into University enrolment**

Your child has been selected for an activity workshop organised by our career and aspiration partner providers 'Into University' during the **week commencing Monday 30th November**. This is a fantastic opportunity for Year 7 students to start thinking about the many different goals and choices of careers open to them once in the world beyond school. The workshop is entitled: 'Choosing Success' and it will enable them to define, identify and follow both career and study goals for the future.

The Into University programme runs from Year 7 to Year 11 and provides academic support, mentoring and programmes that promote young people's aspirations. The programme has evidence to demonstrate:

- Improved academic performance
- Improved chances of getting into University
- Improved attitude to learning
- Improved employability skills

The initial two-hour workshop will take place within the school, during the school day, with our usual COVID-19 secure measures in place.

If you have any questions please do contact me on [fionamcauslan@hackneynewschoolcst.org](mailto:fionamcauslan@hackneynewschoolcst.org)

Best wishes

Fiona McAuslan  
Library, Aspirations and Careers Manager
