Dear Parents/Carers

RE: Relationships and Sex Education

Thank you to those of you who joined us for the recent Relationships and Sex Education Parent Consultation Meeting. During the meeting and in a recent letter, which you can view [here](#), it was mentioned that all children in secondary education will receive lessons on Relationships and Sex Education (RSE). Alongside our PHSCE (Personal, Health, Social, and Citizenship Education) curriculum, the new RSE content aims to give young people the knowledge, understanding and practical skills to live healthy and safe lives. I have included a map of the key content that will be delivered [here](#) for your reference.

I have also included a copy of our RSE policy [here](#). This document outlines how we intend to deliver the curriculum at Hackney New School and includes key details about the content that is to be covered. Please take some time to read this.

Should you have any questions or queries regarding our RSE policy, please do complete the Google form [here](#) by March 1st, 2021. This is an important part of the process as our final RSE policy will be published once we have received your feedback.

We look forward to hearing from you soon.

Yours sincerely

Joynab Sultana
Assistant Headteacher & PHSCE Lead
