## Lockdown Library no. 2

A weekly edit of the best online books, videos and other good stuff we can find. Because there's no such thing as boredom if you've got something good to read. Click in the boxes to discover more.

### #1. Alienated

Jeff Norton reads his hilarious novel on Youtube about Groom Lake High, the high school for aliens at Area 51.

### #2. The Bone Witch

Audible books are **free** for lockdown. There are nearly 70 titles for teens including the spooky fantasy series The Bone Witch.

### #3. Ancient Egypt

The definition is **amazing** in this virtual tour of the British Museum's Egyptian room.

### #4. Six minute Shakespeare

Six minutes, three different scenes, 30 actors, students, and ordinary people perform one line each. Brilliantly.

### #5. Here We Are

Writer and illustrator Oliver Jeffers debuts his new book Here We Are in a TED talk. A timely reminder on what really matters in life.
