

Thursday 18th June 2020

Dear Parent / Carer

There will be no lessons online on Friday 26th June 2020, as all teaching staff will be taking part in training to continue to ensure we offer the best learning opportunities online for your child.

As there will be no lessons online on this day, please encourage your child to complete any outstanding work from the DPR assignment portal that is yet to be completed. Please also ensure that your child has uploaded all of their completed work for their online lessons on to the DPR assignment portal, so that our teachers can give your child feedback on their work.

If you are unsure what work your child has yet to complete or upload, please ask your child to log in to the DPR assignment portal and you will be able to see which assignments are still yet to be completed. You will also be able to see what work has been completed and uploaded, along with the feedback that has been provided by your child's class teachers.

You are also able to log in to the DPR portal at any time, using your child's login details so please ask your child to share their username/password to the DPR with you. This will allow you to regularly monitor your child's progress in all of their subjects and the work that should be completed by your child at home. There is also a helpful video explaining the main features of the DPR portal on our school website here: <https://hackneynewschool.org/useful-information/letters-home/>

Should you have any questions or queries, please direct them to your child's Student Manager or Head of Learning in the first instance.

Thank you for your continued support in your child's education.

Yours Faithfully

A handwritten signature in black ink, appearing to read 'Shahid Hussain', with a long horizontal stroke extending to the right.
