Dear Parent/Carer

**Re: Year 11 Virtual Parents' Information Evening, Tuesday 19th January**

Due to the current situation with Covid-19, we are not able to run a face-to-face event this year. Therefore, I am writing to invite you to our Year 11 Virtual Parents' Information Evening, which will take place online on **Tuesday 19th January 2021** between 5pm - 6pm. The evening will be an opportunity to hear from some of the key members of staff, including Mrs Whelan (Headteacher), Ms Douglas (Head of Learning) and the head of our core subjects and DPR. There will also be an opportunity to ask them any questions you may have.

This is a very important evening for you and your child as it will outline the expectations for Year 11 and give them some valuable information about revision and online engagement. It is therefore important that you and your child attend the online meeting.

We will host a virtual parents' evening where you will be updated on your child's progress to date, in the near future too. This will be arranged for when we have more clarity on how your child will be assessed in Summer 2021.

The link and password to join our Year 11 Virtual Parents' Evening via Zoom will be emailed to you during the day on Tuesday 19th January 2021. It will also be sent as an announcement using the DPR chat function.

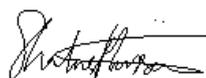

To ensure the session runs smoothly, please ensure you do the following when you join the session:

1. Log on approximately 10 minutes ahead of the start time.
2. Ensure your mic is on mute and your camera is switched on.

If you require any further information please do not hesitate to contact your child's Head of Learning, Ms Douglas.

Many thanks for your continued support and we look forward to seeing you virtually on Tuesday 19th January.

Yours sincerely

Shahid Hussain  
**Deputy Headteacher**
