Dear Parent/Carer

RE: Additional Science Tuition for Year 10 Students

We are pleased to announce that all Year 10 students have the opportunity to receive additional science tuition through teachers from one of our partner schools, The Cumberland School, commencing on Wednesday 3rd February.

The Cumberland School, also part of the Community Schools Trust, will deliver the tuition and has successfully delivered virtual tuition previously. Many students have found the additional tuition helpful to improve their confidence, which increased their motivation and determination within the subject. Full commitment to this tuition would accelerate your child to achieve their full potential.

Teachers will post the link for the tuition session onto the DPR and students will need to log in via Google Meets every Wednesday from 16:00 - 17:30.

Attendance is not compulsory but is highly encouraged. Punctuality is also important and late entry to the virtual sessions will not be accepted. Please note that the sessions will be recorded for safeguarding purposes.

I would strongly urge you to ensure your child attends this additional science tuition every Wednesday, as it is another opportunity to ensure your child does well in their GCSE Science qualification next academic year.

I would like to thank you in advance for your ongoing support.

Yours sincerely,

Juned Uddin
Assistant Headteacher
